

2 Adele St, Alstonville, NSW 2477

Sold - 20/12/2011

House 5  2  1 

## A Family Affair

A home for relaxing and especially designed for family living at its very best!

Sitting on a large 1108m<sup>2</sup> flat block of land, appealing spacious home with a modern interior.

Dad will LOVE having ample side access to the rear and the new large shed, plenty of space for the van, boat, trailer and all the boy toys!

The wife will LOVE the modern spacious kitchen with lots of storage and easy access to the dining, living and outside entertainment area.

The kids will LOVE the large rumpus/family room at one end of the house to get away from mum and dad, short walk to schools, adjacent too sporting fields and the big fenced back yard to play in!

There are five bedrooms, the main with an ensuite. Air-conditioned living areas and a superb private outdoor entertainment area.

The current owners are on the move and have priced the property to meet the market. This property presents excellent value for money! There is certainly a lot on offer, no renovation required, move the family in before xmas and enjoy everything you have always wished for!
