Established gardens, a neatly kept lawn and an attractive brick facade create a welcoming first impression. Inside, soft neutral tones, plantation shutters and thoughtful touches reflect the care its owners have devoted to the home, creating spaces that feel relaxed, comfortable and ready to enjoy.

A separate front lounge provides a peaceful place to read, welcome visitors or simply unwind, while the central living area offers an inviting setting for everyday family life. At the heart of the home, the beautifully presented kitchen features crisp white cabinetry, generous bench space, a breakfast bar and pantry. Its connection to the spacious enclosed dining and sitting area makes sharing meals and spending time together a natural part of daily life. With a timber-lined ceiling, exposed brickwork and extensive glazing, this delightful space is equally suited to a quiet morning coffee or a lively gathering around the table.

Beyond, the covered alfresco courtyard offers a private, easy-care setting for weekend lunches, tending to pot plants or relaxing in the fresh coastal air. The effortless connection between these spaces gives the home a lovely sense of openness while keeping maintenance manageable.

Two comfortable bedrooms include built-in wardrobes, with the main bedroom enjoying access directly to generously proportioned bathroom. A separate toilet, laundry facilities, linen storage and a double garage with internal access complete the practical layout.
