The home is cleverly divided into two distinct zones. To one side, two bedrooms enjoy dedicated access from the entry, serviced by a bathroom and complemented by a balcony overlooking the front of the property - perfect for guest accommodation, teenagers, or a home office setup.

The main section of the home features three additional bedrooms, a central family bathroom, and comfortable living areas designed for everyday family life. The layout allows for both privacy and connection, with excellent flexibility for a range of living arrangements.

Vehicle accommodation is a standout, with a large double garage plus a third garage suitable for a small to medium vehicle, workshop, or additional storage. A wide, gated driveway provides further secure off-street parking.

Positioned close to local schools, shops, transport, and with easy access to Wollongong CBD and major arterial roads, this home combines space, function, and convenience.

A rare opportunity offering size, separation, and outstanding parking - inspect to appreciate the versatility on offer.
