**Open for Inspection**

By Appointment.

Split level design.

On the entry level you will find the beautifully bright air conditioned lounge room, kitchen with dishwasher and electric cooking with servery bench through to the enclosed sunroom which features a fire place and the third bedroom.

On the upper level there is a large master bedroom with ample wardrobe space and air conditioning, a study area, second bedroom with build in wardrobe and ceiling fan and main bathroom.

The lower level features a large rumpus area, second toilet, laundry and single lock up garage which also had the addition of a carport.

Outside there is a covered patio area, lovely private fenced back yard and pets are negotiable.  
There is a 8.3kw solar system for electricity usage .
