Open for Inspection

By Appointment.

Originally used as a tennis centre opened in 1988, Denman's Tennis Centre sat on approximately 3 acres of riverfront land. Glimpses of that past in the form of tennis court bases are still on the land today.

Your block encourages uses with the zoning for private and public sporting fields, sporting and recreational facilities including facilities for active outdoor recreational pursuits such as playing fields, equestrian facilities, outdoor facilities, educational activities, swimming pools, outdoor courts, cycling, skate facilities and other community uses.
