Family Acreage with Space, Privacy & Room for Everything

Positioned on a beautifully landscaped 3,000m² level block, this impressive family home offers the perfect combination of space, privacy, and practicality. Designed to accommodate growing families, tradespeople, with a separate access for vehicles or truck and those who simply enjoy room to move, the property provides a spacious acreage lifestyle with all the conveniences you could want.

The home features four generous bedrooms, plus a separate library/office area.

Offering multiple living zones, with lovely timber flooring the home includes a formal lounge and formal dining room, separate Lounge room, and a kids play area ensuring everyone has their own space to relax including a spacious master suite with walk-in robe and private ensuite with spa bath, while the updated family bathroom services the remaining bedrooms with modern style and functionality.

At the heart of the home is the huge family kitchen, complete with stainless steel appliances, dishwasher, wine rack plus abundant storage, and generous bench space. It overlooks the 2nd outdoor entertaining area, creating the perfect setting for family gatherings and year-round entertaining.

Step outside to your own private entertaining area next to the huge sparkling inground salt swimming pool surrounded by plenty of flat land for the kids to play or pets. It's the ideal place to have a barbecue and watch the footy with friends while the kids enjoy endless hours in the pool.
