Imagine Country Comfort, Everyday Convenience. Can You Pi

Why we're obsessed with 2 Red Hill Court, Neerim South:

There's something special about a home that makes everyday life feel a little easier. Built in 2019, this thoughtfully designed four-bedroom home brings together the warmth of country-inspired living, clever modern technology and inviting spaces where family life can unfold naturally. Set across from parkland and walking tracks, it's a place to enjoy a slower pace without leaving everyday conveniences behind.

At the heart of the home, the beautiful open-plan living and dining area is filled with natural light and enjoys a lovely outlook across the established gardens and beyond. A solid fuel heater brings warmth and ambience to cooler evenings, while timber barn doors, feature lighting and thoughtful timber detailing create a welcoming sense of character. The kitchen is a standout for anyone who loves to cook, with an impressive Belling stove, excellent drawer storage and a generously fitted walk-in pantry. A separate home theatre or rumpus room, complete with blackout curtains, gives everyone somewhere to escape for movie nights or a little quiet time.

The main bedroom offers its own private retreat, featuring a stone-topped ensuite and direct access to a delightful sunroom, perfect for morning coffee, a favourite hobby or simply enjoying a peaceful moment. Two further queen-sized bedrooms offer excellent storage, while the fourth bedroom, currently used as a home office, provides flexibility as your needs change. Fully electric, the home also embraces smarter living with automated lighting, a 12.1KW solar system with battery backup, while the double garage includes a separate storage room.

Outside, the established gardens have been thoughtfully arranged to offer something for everyone. There's space to entertain, room for children to enjoy the outdoors and plenty of opportunity to embrace a more self-sufficient lifestyle, complete with a hen house. Across the road, parkland and walking tracks provide an easy connection to Neerim South's primary and secondary schools and local shopping strip. With Drouin and Warragul around 20 minutes away, along with access to V/Line services and the M1, you can enjoy the charm of village living while staying connected to everything beyond.

If you've been dreaming of a home with warmth, personality and room to enjoy life's simple pleasures, this could be the change of pace you've been waiting for. Come and picture your future at 2 Red Hill Court.
