Timeless Federation Elegance on Over 1¼ Acres

Offered to the market for the very first time, 2 Romano Court, Drouin is more than just a house - it is a much-loved family home, rich in character with warmth and timeless appeal.

Straight from the pages of Country Style, the classic Federation façade is instantly captivating, framed by beautiful wrap-around verandas that enhance both its charm and practicality. Set on just over 1¼ acres of beautifully landscaped and thoughtfully zoned grounds, this is a rare lifestyle opportunity in a tightly held location.

Step inside and be welcomed by a wide entry hallway featuring stunning leadlight detail surrounding the solid timber front door, soaring ceilings, dado walls and polished timber flooring. Period elegance flows throughout the home, creating a sense of cosy charm and enduring quality.

The generous master suite is positioned at the front of the home and features a walk-in robe and spacious ensuite. A separate wing houses three oversized robed bedrooms, serviced by a recently updated family bathroom complete with a charming clawfoot bath. A separate study provides the flexibility of a home office or potential fifth bedroom.

At the heart of the home, the kitchen, meals and family living area has been the backdrop to countless family gatherings. Showcasing stone benchtops, updated stainless steel appliances including a self-cleaning oven, a corner pantry and the ambience of both a wood fire and ornate open fireplace, this space is designed for connection and comfort.

A genuine separate rumpus room at the opposite end of the home provides excellent flexibility - ideal as a teenage retreat or additional living zone - and opens seamlessly to the expansive outdoor veranda, perfect for year-round entertaining.

Outdoors, the property truly shines. The fully enclosed rear yard is ideal for pets and children, while the freestanding outdoor entertaining pavilion is equipped with electric roof heaters and ceiling fans, ensuring comfort in every season. The sweeping gravel driveway forms a turning circle at the rear offering ample space for boats, caravans, trailers or machinery.

Tradespeople, hobbyists or those needing extra storage will appreciate the substantial shedding (approximately 12.3m x 7.3m) complete with 3-phase power.

A truly unique offering, lovingly held by the same family for over 20 years, this remarkable home is now ready to begin its next chapter.
