Modern Coastal Living in Seacrest Estate

Located in the highly sought-after Seacrest Estate, this quality near-new home offers the perfect opportunity to enjoy relaxed coastal living in a peaceful and well-maintained community. Surrounded by predominantly owner-occupied homes, the estate is known for its high standards and pride of ownership.

The home features four generous bedrooms, two bathrooms, and a spacious open-plan living and dining area, complemented by a separate media room ideal for family movie nights or additional living space. The stylish kitchen is complete with granite benchtops and stainless steel appliances, flowing seamlessly to the hardwood timber alfresco area — perfect for entertaining.

Finished with quality tiled flooring throughout the living areas and carpet in all bedrooms, the home also boasts solar power, a generous driveway, side access, and beautifully presented landscaping that completes the package.

Conveniently located close to local schools, shops and the stunning Sandy Beach coastline, this exceptional home offers comfort, style and lifestyle in one of the area's most desirable estates.
