NEAT, TIDY AND IN A GREAT LOCATION

This sizeable three-bedroom home is located in a cul-de-sac in a quiet area of Orange and would make an ideal first home for your family or even an investment property.

The master bedroom has a walk-in robe and ensuite; the other two bedrooms are generous, have built-in robes, and are close to the main bathroom which has both a shower and a corner spa. There are three fantastic living areas, including separate lounge and dining, plus an open plan kitchen and family rooms.

The kitchen is spacious with a dishwasher, pantry and plenty of storage. There is a north facing covered entertaining area, off the family room, perfect in both summer and winter. There is ducted gas heating plus a split system in the family room, which also has internal access from the extra large double garage. The property has excellent street appeal, has been built out of beautiful "Roman Split" bricks, is fully fenced for the children to play in and sits on a large 952m² block.
