THE SELLER IS SERIOUS. LETS MAKE A DEAL...

ROOM FOR THE FAMILY. ROOM FOR THE TOYS. ROOM TO MAKE IT YOUR OWN ON 5ACRES.

Recently updated for family living, this home combines generous proportions with modern comforts. Brand new appliances, including an induction cooktop, dishwasher, ducted air-conditioning throughout and new carpet, add a fresh, contemporary feel, while the oversized bedrooms upstairs provide plenty of space for growing families. the master is complete with its own ensuite, creating a private retreat away from the rest of the home.

Downstairs is where the possibilities really open up.

An enormous games room, man cave, or multipurpose space is currently complemented with a large bathroom, separate toilet and kitchenette - providing the ideal foundations for dual living, extended family accommodation, a teenager's retreat, a work from home office or business space. With some thoughtful finishing touches, this level could be transformed into an entirely set-contained living zone.

And then there is the shed...
This is serious garage space.

The enormous garage provides room for at least six vehicles and is perfectly suited to the motoring enthusiast, tradesperson, collector, or anyone needing substantial storage for boats, trucks, heavy machinery, recreational toys or hobby farm. A large covered hardstand area extends the usable space even further while a container shed provides additional storage or the potential for dedicated office/workshop space. With privacy, peaceful surroundings, abundant space and incredible versatility, this is a property that gives you freedom to live the acreage lifestyle your way. Space to work, room to grow, somewhere to adapt and the freedom to embrace the rural lifestyle you've always wanted.
