High points

Generous entry hall with cloak cupboard flows to both formal and casual living and dining spaces offering expansive entertaining areas with the well-placed kitchen central to both

Kitchen is well appointed with excellent storage options and overlooks the rear yard and outdoor terrace, perfect for gathering with family and friends

Accommodation includes 4 oversized bedrooms with built-ins to 3, including the master suite in separate wing with walk-in robe and ensuite, with all beds offering views over the grounds

Well-placed, good sized laundry in the family wing directly off the full family bathroom and separate wc

Whilst both bathrooms are original they are in good condition and finished in neutral tones

A thoughtfully designed floorplan allowing for separation from guests and / or family, if needed, with the ability to close off wings for more economical heating and cooling options

Outdoor living is equally appealing with wide terrace under roof offering a good northern aspect, the ideal space to entertain or take in the rear garden

Offering 9ft ceilings, timber floors throughout most of the home with well-placed timber windows and doors with shutters bringing the outside in

Parking is via the 3 bay shed / workshop at the rear, accessed via the concrete driveway or well positioned parking bay at the front of the residence plus extra guest parking
