Inside, you'll find a warm and functional layout designed for easy living. The updated kitchen (renovated in 2011) provides a fresh modern touch, while air-conditioning and ceiling fans keep the home comfortable year-round. Practical upgrades such as a re-capped roof (2014) and ceiling insulation add further value and peace of mind.

Set on a generous 639m² allotment, the home enjoys excellent outdoor appeal. Established gardens and fruit trees provide a leafy backdrop, while secure colourbond fencing and full side access make the property ideal for families, pets, or those needing extra space for a boat, trailer, or caravan. A single garage and additional carport offer plenty of parking, while the large alfresco area flows seamlessly from the kitchen and dining, the perfect spot for entertaining family and friends.

Set within the catchment of Currimundi State School and Caloundra State High School, and just a short drive to Caloundra's buzzing cafe precinct, local shopping, surf clubs, and coastal walking tracks, everything the Sunshine Coast is famous for is right at your fingertips.
