Set on an approx. 375sqm block, this well-maintained three-bedroom, two-bathroom home offers a practical layout with plenty of space to enjoy without the upkeep of a larger property.

From the moment you arrive, you'll appreciate the home's low-maintenance front yard with artificial turf, complemented by a large, spacious driveway and carport, providing plenty of parking space for you and your guests. A front roller shutter adds an extra layer of security and privacy, while the security camera system provides additional peace of mind around the home.

Adding to the home's practical appeal is a 20-panel solar panel system, providing an opportunity to help manage everyday household electricity costs and support a more energy-conscious lifestyle.

Step inside to a welcoming entry lounge, which also provides the flexibility to create a study nook or home office. The spacious master bedroom is complete with a walk-in robe and private ensuite, while the two additional bedrooms are generously sized and perfect for children, guests or a home office.

Continue through to the heart of the home, where the open-plan living and dining area creates a comfortable space for everyday living and entertaining. The well-maintained kitchen offers ample storage, along with a 4-burner gas cooktop and oven, making it both practical and functional.

The main living areas feature easy-care tiling, while the bedrooms are finished with laminate flooring. Modern LED lighting throughout adds a fresh and contemporary touch.

One of the home's handy features is the additional attic storage space, providing a practical solution for those bulky items you don't need every day. Whether it's luggage, suitcases, seasonal decorations or other household belongings, the extra storage helps keep your living areas neat, organised and clutter-free.

Step outside and you'll find a covered patio with plenty of room to make it your own — whether that's creating an outdoor entertaining area, setting up an outdoor gym or giving the kids a dedicated play space. The backyard is also complemented by low maintenance artificial turf, giving you an easy care outdoor area where
