House 3 2 2

Private and Pristine

Located in a very popular, well-established part of Moama, a three-bedroom, two-bathroom steel frame home, has undergone a thorough renovation throughout, and there's nothing left to do.
As you enter the home, to your right is a large main bedroom with a walk-in robe and a stunning, fully renovated en suite, including floor-to-ceiling tiles, plantation shutters and a single vanity
Across the hall, a large study that can be closed off and used as a fourth bedroom if need be.
The remaining 2 bedrooms towards the rear of the home are all a great size, feature built-in storage, ceiling fans, and are serviced by the main bathroom, again fully renovated with floor-to-ceiling tiles, shower, and fluted bath.
Living area one is a nice-sized space that can be closed off from living area two by double sliding doors. The second living area is a combined kitchen, living, and dining area. A large, light-filled space that looks out over the backyard pool area. The kitchen has also seen a full overhaul with new cabinetry, new bench tops and splashback, gas cooktops and an electric oven.
Ducted refrigerated cooling and ducted gas heating ensure the house is kept at the perfect temperature year-round. A large solar system on the roof helps keep energy bills to a minimum.
Outside, the large outdoor entertainment area overlooks the pool and backyard, with plenty of room for a barbecue and a large table. It is an excellent space for year-round use. The swimming pool is perfectly positioned for supervision from the house or the entertainment area.
