Sold - \$652,000

House 4  2 

Quality Living, Thoughtfully Designed

Only three years old and showcasing exceptional craftsmanship, this beautifully appointed Beachwood home delivers standout quality with a host of premium upgrades throughout. From the soaring ceilings and tall doorways to the striking vaulted ceilings in the main living space, every detail has been designed to elevate the living experience.

Open for Inspection

By Appointment.

At its heart, the home features a stunning stone-topped kitchen with quality 900mm appliances and a generous step-in pantry - perfect for daily living and effortless entertaining. The master bedroom is a true retreat, complete with a spacious walk-in robe and sleek Ensuite. Three additional bedrooms all feature built-in robes and are thoughtfully zoned around a stylish main bathroom, while a genuine study offers versatility for working from home or managing a growing household.

Enjoy year-round comfort with gas ducted heating and refrigerated cooling, all set on a flat, low-maintenance block just a 1.9km walk from the vibrant heart of Drouin.

Immaculate, inviting, and move-in ready - this is modern family living done right.
