Oozing character and nautical charm, this renovated mid-century beach shack is an absolute delight! 'Hidden' in the best sense, you'll feel worlds away at Coral Haven. The tranquillity flows through the entire residence, but the front alfresco area is a real oasis. Lush greenery frames the space, creating the perfect spot for your morning coffee or an evening sundowner. Another serene spot is the gorgeous front living room featuring a sweeping timber skillion ceiling. Pops of blue contrast the tropical greenery outside and add to that quaint coastal aesthetic.

Beautiful Aldinga Beach is less than 500m away! And with flat compact sand you can drive on (no need for a 4x4) and launch the boat or simply load the car up and set up for a long day under the sun. But, for the days not spent lapping up rays at the beach there are plenty of board games and books on hand!

Lovingly presented with everything you need for a tranquil and hassle-free holiday, up to 7 guests can be comfortably accommodated at Coral Haven – making it perfect for families & friends.
