Sold - 22/04/2010

House 2  1 

What a Start

Impressive starter or investment opportunity. This property is very tidy and comfortable. Timber floor boards and large bedrooms, open plan living and dining.

With room to extend and a near level backyard, this property has lots more potential. There are even some plans for a possible extension.

A house under 250K does not come around very often, and one this tidy is almost unseen...
