These well-proportioned lots range from 267sqm to 303sqm and are offered with a delayed settlement, providing buyers with added flexibility and time to plan their build or investment strategy. Registration is expected early next year, allowing you to secure your land ahead of this exciting milestone. Ideal for owner-occupiers and investors alike, this opportunity allows you to secure land today in a location set for significant future transformation.

A standout feature of this offering is the Sikh Missionary Temple Austral, located within walking distance, offering unmatched convenience for families seeking close proximity to a place of worship and a strong community presence—an increasingly rare and highly sought-after attribute.

Austral is poised for substantial growth with the upcoming Sydney Metro connection and the Western Sydney International (Nancy-Bird Walton) Airport, which are expected to drive employment, connectivity, and long-term capital growth. The area continues to benefit from expanding infrastructure, future town centres, schools, shopping precincts, and transport links.

This is a rare chance to secure land in a strategically positioned location before registration, at a time when Austral continues to emerge as a key residential hub in Western Sydney.
