Open for Inspection

By Appointment.

Built in 2018 in the sought-after enclave of Sanctuary, presented in excellent condition, this contemporary home delivers the perfect combination of comfort, functionality and low-maintenance living.

Positioned on a 405m² allotment within a growing and well-connected pocket of Redbank Plains, the home offers a lifestyle defined by simplicity and ease. Surrounded by modern homes and established amenities, this is a location that continues to attract strong demand - ideal for both owner-occupiers and investors alike.

From the moment you arrive, there's a sense of practicality and purpose. Clean lines, a modern facade and a layout designed for everyday living create a home that feels effortless - a place where everything has been considered, and nothing feels overcomplicated. Inside, the home continues to deliver with a fresh, contemporary feel and a layout that flows naturally from space to space. It's the kind of property that doesn't ask for work - it simply invites you in. Whether you're buying your first home, downsizing or securing a smart investment, this is a property that simply makes sense.

CONTEMPORARY DESIGN. EASY FLOW.

Thoughtfully designed this home offers a practical layout that maximises space and natural light. At its centre, an open-plan living, dining and kitchen zone creates a connected hub for everyday life - flowing seamlessly to the outdoor area for relaxed living and entertaining. Clean finishes and a modern palette ensure the home feels fresh, functional and ready to enjoy.

FAMILY FUNCTION. COMFORT & SPACE.

- Four well-proportioned bedrooms with built-in robes
 - Master suite with ensuite and walk-in robe
 - Two bathrooms servicing the home with ease
 - Open-plan living designed for connection and flexibility
- This is a layout that adapts - whether it's growing families, work-from-home or investment.
