Original homes on this tightly held street are a rare find and few offer as much potential as this wide-fronted semi in the leafy heart of Waverley. Freestanding to the North side and set on the high side of the street, 'Rainscourt' has been held by one family for a century, presenting a superb opportunity to make your mark with scope for a second storey addition in line with neighbouring homes (STCA). Bright and airy interiors, a sunny backyard and community minded neighbourhood combine to offer a perfect canvas for creative renovation. In a family friendly setting between Waverley Park and Charing Cross village, the two-bedroom home is ideal to live in or rent out during the DA process and is surrounded by great schools and within easy reach of Bronte, Tamarama and Bondi Beaches.
