Residential Land

## ENDLESS POTENTIAL ACROSS LOTS 14, 15 & 16

3 Prime Blocks with Subdivision Potential – Dual Street Frontage in Broken Hill

An exceptional opportunity to secure three substantial parcels of land in the thriving regional market of Broken Hill. Offering flexibility, scale, and strong future upside, this is an ideal prospect for investors, developers, or builders looking to capitalise on growing demand.

Positioned with valuable dual street frontage, all three lots present outstanding potential for subdivision or development (STCA), making this a rare and versatile offering.
