

24 Moorgate St, Chippendale, NSW 2008

Auction

Apartment 1  1  1 

Terrace-Style Living with Private Garden Courtyard and LUG

Nestled in one of Chippendale's sought-after pockets and set within the established Moorgate Gardens complex, this distinctive garden apartment offers a refreshing alternative to conventional apartment living. With its own secure street entrance, generous interiors, front & rear balconies, private rear garden courtyard and secure lock up garage it delivers the feel of a terrace home with the convenience of a low-maintenance inner-city address.

Designed around a spacious single-level floorplan, the home features an inviting open-plan living and dining area that flows seamlessly to a leafy front balcony. The modern, well-appointed kitchen offers generous bench and storage space, complemented by a practical breakfast bar, ideal for everyday living, casual dining and effortless entertaining.

The generously proportioned double bedroom features a built-in wardrobe and extends to a rear leafy balcony, with steps down to the private rear garden courtyard.

The oversized, white-tiled bathroom offers both a separate bathtub and shower, whilst a dedicated internal laundry, complete with tub, and additional storage further enhance the home's practical appeal.

A defining feature is the private rear courtyard - a secluded outdoor area ideal for alfresco dining, entertaining friends or simply unwinding in your own peaceful sanctuary. Together with the front balcony and direct street access, this appealing combination of indoor and outdoor spaces creates a genuine sense of privacy and independence rarely found in apartment living.

Completing the package is a secure entry and generous sized lock-up garage with storage space, adding everyday convenience and valuable parking in this highly desirable inner-city setting.

Positioned for an effortless urban lifestyle, the property is within easy walking distance of Broadway Shopping Centre, the University of Sydney, UTS and Victoria Park. The surrounding neighbourhood offers an appealing mix of cafes, restaurants, transport connections and everyday amenities, with the CBD also readily accessible.
