Designed for relaxed coastal living, the spacious open-plan living zone spills effortlessly onto a generous suspended concrete deck and BBQ area - the perfect setting for long lunches, sunset drinks, and memorable family gatherings, all framed by the remarkable coastal backdrop.

The main level offers four bedrooms and two bathrooms, including a private master retreat with ensuite, its own balcony access and a spectacular ocean view. Living, dining, and entertaining are beautifully integrated on this level, delivering seamless indoor-outdoor flow and ample room for family and guests to unwind. The centrally positioned kitchen takes full advantage of the views while offering abundant storage and bench space for easy entertaining.

Downstairs reveals an impressive bonus - a generous self-contained studio complete with kitchenette, ideal for guests, extended family, or potential income. Adding to the appeal is a bar area at the rear of the garage, which spills out to a rear outdoor alfresco terrace. Perfect for hosting casual gatherings after a day at the beach. The garage can safely house two vehicles and the two driveways, including the very wide one at the front door, provides space for other vehicle/van parking.
