House 3  1  1 

Period Style, Priced Right, Won't Last

Price alert for a classic-styled circa 1940s first home or investment opportunity.

The streetscape is immediately appealing, surrounded by other period homes already enjoying thoughtful makeovers, setting the scene for continued renewal.

The home itself has recently undergone a refresh including modernised kitchen and bathroom spaces. Updated flooring features a combination of tiles and carpet throughout, complemented by the practical addition of a second shower in the rear laundry.

The accommodation comprises two generous king-to-queen sized bedrooms, along with two single rooms where one could be utilised as an office or walk in robe and the other a single bedroom. Ceiling fans are fitted for year-round comfort and there remains scope for the next owner to further value add.

Set on approximately 680 square metres, the property enjoys a highly convenient position with the dog park, playing fields, shops, schools and the cafe belt of town all within easy reach. Parking is provided by a double lock up garage with side drive access.

Homes at this price level are getting as rare as hens teeth, so don't delay and miss out.
