Expansive Double Brick Family Residence with District Views

Set on 467.9sqm of land and enjoying a desirable south-east facing aspect, this substantial double brick residence spans across three impressive levels of living, delivering outstanding space, flexibility and lifestyle appeal for large or extended families. Designed with multiple living areas and generous accommodation, the home is perfectly suited to modern family living and entertaining, all within close proximity to parks and transport.

With its versatile floorplan, elevated outlook and solid construction, this is a rare opportunity to secure a sizeable family home in a highly convenient Earlwood location.

Key Features

- Solid double brick construction across all levels
- Approximately 470sqm of land with a south-east facing aspect
- Six well-proportioned bedrooms including one on the main living level
- Main bedroom with direct access to the backyard and stunning district views
- Multiple oversized living zones ideal for families of all stages
- Formal and informal dining areas for everyday living and entertaining
- Large open-plan kitchen with stainless steel appliances
- Three bathrooms spread across all levels, including ensuite to first bedroom
- Internal laundry with additional bathroom on main level
- Hardwood flooring throughout the upper level
- Internal access to double lock-up garage

Living & Entertaining

- Main level formal living and dining zones with excellent natural light
- Informal meals area adjoining the kitchen for casual family dining
- Lower level rumpus room ideal as a man cave, home gym or teenage retreat
- Additional space on lower level suitable for extra dining or entertaining
- Oversized upstairs living / retreat area with hardwood flooring, perfect for kids or quiet relaxation
