The home features four bedrooms, all with built-in wardrobes, including a master bedroom with ensuite. A large, functional kitchen forms the heart of the home, flowing seamlessly to the dining and living areas and overlooking the backyard. The main bathroom and an updated laundry add to the home's practicality. Ceiling fans and reverse-cycle air conditioning provide year-round comfort, while shutters throughout and a 5kW solar system enhance energy efficiency and help keep running costs down.

A standout feature of the property is the exceptional shedding. Accessed off King Street, the large three-bay shed offers space for up to four vehicles, with additional drive-through access to the backyard where a further double garage is located - ideal for tradespeople, car enthusiasts or those needing serious storage.

Established gardens surround the home, creating a very private yard and a peaceful outdoor environment.

Located in the welcoming country town of Molong, the property is close to local schools, preschool, hospital, supermarket, medical services, and a range of cafes and shops. All this is just a comfortable 30-minute drive to Orange.
