Set on just under a quarter-acre, the home has already undergone a number of valuable updates, allowing you to move in and enjoy while continuing to add your own finishing touches. The stylish new kitchen forms the heart of the home with electric cooking, complemented by new vinyl plank flooring, a new toilet, updated fencing and the added benefit of plenty of solar panels to help reduce energy costs.

Inside, you'll find three great sized bedrooms, a formal lounge and a second living area at the rear of the home. Bathed in natural light, this versatile space features sliding doors that open onto a fantastic undercover entertaining area, creating the perfect place to relax while taking in the peaceful rural surrounds. The modern bathroom is well appointed with both a bath and separate shower, while year-round comfort is assured with split system heating and cooling, complemented by the warmth and ambience of a wood heater during the cooler months.

The laundry needs finishing but gives buyers the chance to complete the home to their own taste. Outside, the generous yard provides plenty of room for children and pets, while the great shed offers excellent storage, workshop space or room for hobbies.
