TROPICAL HOLIDAY PAD - GREAT LOCATION

Immerse yourself in all that Port Douglas and the surrounding area has to offer from this top floor holiday apartment located within 200 metres of Macrossan Street and 500 metres of Four Mile Beach.

Steps from the elevated boardwalk arrive at a feature timber door - the first indication of what lies within. A generous balcony with a view to the pool frames the entry and provides the perfect spot for tropical alfresco dining.

The open plan design of the main living area consists of a lounge/TV area complete with large comfortable daybed and a compact kitchen featuring a hot plate, sink, microwave, fridge, storage space and servery window out to the balcony.

Timber sliding doors screen the large (king size) air-conditioned bedroom with its cool tiling, built in storage, ceiling fan, timber louvres and spacious ensuite that provides both bath and shower options and the convenience of a separate toilet.

The apartment is currently under the dutiful care of the onsite management team so you can be assured it is in good hands in between your visits to the tropics.

With its premium location, onsite health spa, dual pool and BBQ areas and timber boardwalks meandering through lush tropical gardens, Hibiscus Resort and Spa is a popular destination with holiday makers.
