Elevated to keep you high and dry no matter what the weather brings, this home offers the kind of space and flexibility for families, fishermen, and a laid-back lifestyle. Inside, you'll find a light-filled layout with two generous living areas-ideal for spreading out, relaxing, or entertaining without stepping on anyone's toes.

The kitchen is practical and ready for your flair, and the overall vibe is one of simple comfort with a splash of retro personality, with a stylish Brand-New Bathroom. The bedrooms are roomy and bright.

Out the front, enjoy watching the world go by from your breezy veranda, and out the back, there's space to potter, play, or just enjoy the sound of the birds. Being only a few steps from the river means early morning fishing trips are basically compulsory, while the nearby school bus makes getting the kids to class a breeze. South West Rocks just a few minutes down the road, weekend beach trips, sunset picnics, and coffee by the ocean are all within easy reach.

If you're looking for a home with heart, a location with soul, and a lifestyle that feels like a permanent holiday. This one might just be your perfect catch. So grab your tackle box, pack the kids, and come see why Jerseyville is one of the Mid North Coast's best-kept secrets. But don't wait, homes like this don't stay on the hook for long.
