Set on an elevated, park like 2.5 acre allotment, this Immaculate family home is of a scale in perfect proportion to its setting. With a clever design, at the front of the home is the main suite, with large walk in robe and ensuite - this north facing room also features large windows, filling the room with light and also enjoying a lovely outlook. Adjacent the main is the study, this room could also be utilised as a nursery for the growing family, while at the other end of the home is the remaining three bedrooms - all serviced by the main bathroom. In the middle of the home is a large second lounge and formal dining, while the main living zone features a modern, galley kitchen, and an open plan meals and lounge area. This main hub of the home is again benefitted by the clever selection of windows - filling the home with natural light while also allowing those inside, a lovely soft outlook from almost any part of the home. With high ceilings, a soft neutral palette, fresh paint and carpets, stone tops in the kitchen and ducted air conditioning throughout - there is nothing you could ask for, simply move in and enjoy. Outside, the covered entertaining area picks up the morning sun and afternoon breezes, the kids can play in the jungle gym or for the winter months, stock up on the marshmallows to take out to the fire pit. With ample room to value add with a pool or shed - the opportunity is real and is sure not to last long.
