Manicured landscaping provides superb street appeal with a light-filled, contemporary aesthetic welcoming you indoors. Stylish tiles stretch throughout the flowing layout, joining built-in cabinetry and good natural light within spacious living and dining, whilst plush carpet brings cozy comfort in a separate lounge/media. Showing off a striking upgrade, the kitchen is framed by streamlined joinery, with excellent storage continuing into a large butler's pantry with integrated laundry. Quality appliances handle the cooking, whilst a large island is beautifully appointed with fluted panelling and waterfall stone.

Covered and tiled, there is alfresco entertaining at the rear, with good indoor/outdoor flow. Well-sized, the backyard is perfect for young children and pets and fenced for peace of mind.

All four bedroom are carpeted and include built-in storage. A walk-in robe and new ensuite with dual vanity and beautiful tiling complement the master suite whilst the family bathroom is also brand new and includes a separate bath in its sleek fit-out. Additional features include ceiling fans, reverse cycle air-conditioning and double remote garage.
