By Appointment.

Designed for easy island living, the home features three comfortable bedrooms, a spacious living area kept comfortable year-round with a powerful 6kW air conditioner, and a double carport providing plenty of covered parking. A 4.8kW solar system helps keep energy costs down, making this home as economical as it is inviting.

Outside, beautifully established gardens create a peaceful and private setting, complemented by the convenience and security of an electric front gate. The expansive 711sqm allotment provides plenty of room for children, pets, entertaining, or future additions (STCA), while a garden shed offers handy extra storage for tools and equipment.

Located in one of Russell Island's most desirable streets, this home combines a quiet lifestyle with the convenience of being close to all amenities. Whether you're looking for your forever home, a relaxing island retreat, or a quality investment, this property is one that deserves your inspection.
