House 3 1 1

Charming and affordable on a corner block - Deceased Estate

Must sell!

Downstairs is huge and secure, with a laundry, separate lockable storage area and car accommodation. There's plenty of room in the yard for children to play and explore in total safety, within the tall privacy fenced section. The enormous mango trees will provide a bounty of mangoes and abundance of shade from the sun.

Upstairs the kitchen is modern and spacious with oversized fridge space and a walk in pantry. The dining area is breezy and opens out into the air conditioned lounge. The enclosed verandah is large enough to be used as another room or study.

The bedrooms are large and breezy – two of them with great cross breezes - and the master bedroom is airconditioned and close to the bathroom and separate toilet.

The cladded exterior looks great, keeps the home cool and provides low maintenance. This home is charming and practical and will suit the first home buyer, investor or someone who wants a home with good neighbours in a quiet street and close to everything.
