House 4 3 1

Private & Tranquil TSS Area Family Residence

Set at the rear of a sweeping tree lined driveway, this unique and character filled TSS area family residence offers a wonderful lifestyle opportunity.

Open for Inspection

By Appointment.

Architecturally inspired with high attention to detail throughout, this coastal and chic residence has been stylishly renovated, simply move straight in and enjoy. Double brick construction, suspended concrete flooring, feature hardwood vaulted/raked ceilings, high ceilings and voids, offering an abundance of character rarely seen.

Superb and seamless indoor and outdoor living areas merge with sunny East facing yard. Light, bright and airy white treatments to textural exposed brick, VJ and hardwood elements contrast with black and white awnings, sliding doors extend to three alfresco living areas with tropical breeze, lush gardens, large pool, pizza oven, undercover outdoor entertaining.

Set through the gardens, enter the main front entry with glass French doors, dramatic living spaces with sunken lounge, casual and formal living areas, guest retreat, open galley style state of the art kitchen with stone feature benchtops, Soktas feature lighting and LED strips.
