By Appointment.

Extending over two levels, the spacious ground floor layout reveals formal living and dining rooms, a huge home office and a gourmet Miele equipped kitchen overlooking an atrium style dining zone and expansive living and entertaining domain with open fireplace; all opening to a large low maintenance rear garden basking in north-east sunshine with extensive paved patio, alfresco deck and carport parking for two vehicles behind a remote-controlled gate.

The laundry with external access, powder room and copious under-stair storage add convenience to downstairs.

Upstairs, an enormous rumpus room provides enjoyment for the family while the generous main suite boasts a sizeable dressing room & luxurious ensuite complete with soak tub while three further bedrooms feature built in robes and share a sleek, recently renovated bathroom.

Highlights include ducted heating, split system heating/aircon and engineered timber flooring.
