Best views in Darwin?

Located on the 27th floor of the Mantra Pandanas building there are only a hand full of properties that have a higher elevation than this apartment and even less that look out over the Esplanade, Cullen Bay, Mindil Beach and down towards Fannie Bay. Seriously, are these the best views in Darwin? Furthermore, these views can be enjoyed from an oversized wrap round balcony that includes glass panels in the railing so that the view is not interrupted.
