Set on a level 4,500sqm block in popular Forest Hills, the home enjoys a leafy outlook while large windows and 9ft ceilings create bright, airy interiors. Ample storage throughout adds to the home's practicality.

At the heart of the home is the expansive open-plan family, dining and kitchen area. The stylish, well-appointed kitchen connects naturally with the living spaces, creating a central hub for everyday family life and entertaining.

The main bedroom offers a private retreat with walk-in robe and ensuite, while the remaining bedrooms are generous in size and provide excellent flexibility for family and guests.

Outside, the covered alfresco extends naturally from the home, while an all-weather gravelled area provides a relaxed setting for a fire pit and evenings under the stars. A choice of shedding adds valuable space for vehicles, hobbies, storage and all the extras that come with family life.

With its combination of space, functionality and a relaxed Forest Hills setting, 28 Barrington Drive offers a home designed to give your family room to live a little differently.
