Russell Island is part of Redland City, Queensland and the largest of the Southern Moreton Bay Islands. It has a length of 8 kilometers and width of nearly 3 kilometers and is situated between North Stradbroke Island and the mainland. Home to evocatively named landmarks such as Kinbbinkibbinwa Point, Ooncooncoo Bay and the Whistling Kite Wetlands, Russell (Canaipa) has a rich history; originally inhabited by indigenous residents later limeburners, timbergetters, oystermen and sugar, fruit and cotton farmers of yesteryear called the island home.
