

28 Maxwell St, West Tamworth, NSW 2340

\$495,000

House 3  1  1 

Tidy, well built brick home with high rental return

This silent achiever has been standing now for many decades and is very easy to maintain being a brick and tile home.

In less than 40 seconds you are on to one of the main roads leading to the centre of town and turn the other way and you are on your way to the airport.

One of Tamworth's most successful high schools is less than one minute away.

The current tenant is paying \$450.00 per week and keeps the property in a very clean and presentable order. They would love to stay on if an investor buys the property for such purpose.

Open for Inspection

By Appointment.
