By Appointment.

The country style three bedroom two bathroom home is complemented by a separate bungalow with its own kitchen bathroom / laundry and living area. The wide full-length verandah at the rear of the main home overlooks the fabulous in ground pool and fenced pasture.

There are numerous outbuildings and large covered work shop. The zoning allows for the possibility of subdivision subject to council approval.

The property currently provides admirably the accommodation and pasture for us horses and our pet humans. We live an idyllic lifestyle and are very happy to discuss your possibilities.

So why don't you give us a call? Our Personal Assistant, Kerri will be happy to assist. What are you waiting for?
