

28 Paul Ct, Carrara, QLD 4211

Sold - 9/04/2026

House 4  2 

Entertainers delight

Situated at the end of a cul de sac in the sought after Carrara suburb, this 4 bedroom rendered home has nothing to do - just move in and enjoy. The large flat back yard opens opportunities for a tiny home or extension or just space to play. The open plan living flows effortlessly to the outdoor entertainment area which overlooks a spacious yard and inground swimming pool. When we say the home has nothing to do - literally everything has been done, repainted inside and out, modernised kitchen and bathrooms, flooring and lighting replaced throughout.

Features:

- Large inground magnesium swimming pool, only 6 years old
- All fence lines and retaining walls have been updated
- Fans and blinds throughout
- Gas cooktop
- Airconditioned throughout
- Roof recently repointed and repainted
- Under shade sail parking out the front - good for three cars
- Master bedroom with ensuite
- Keyless digital entry system
- Music system speakers in the living and outdoor patio area
- Backs onto a reserve

Location is perfect, close to shops, public transport, easy access to the M1 and only 15 minutes to Broadbeach.

Building and pest available on request.
