

28 Rumsey Dr, Raceview, QLD 4305

Sold - \$850,000

House 3  2  4 

ON TREND DISTINCTIVE DESIGN WITH THE SHED.

Step inside a masterfully revitalized 1970's home, where bold design meets everyday functionality.

Our thoughtful renovation embraces an on-trend, textured, and organic ambiance tailored for modern families. Congratulations.

Spread over two excellent levels your 3 bedroom, 2 bathroom residence delivers.

Every decision in this renovation was made with purpose; to align with modern design trends while maintaining the practicality needed for growing families.

This is a home that feels layered, yet breathable, artistic yet livable, call your agent to secure your family's future in this established suburb of Raceview.

Every element of this home has been intentionally crafted to reflect the vision of a minimalist yet cosy lifestyle, blending natural materials, rich tones, and layered textures to create a space that is both expressive and enduring. The result is a light-filled haven, a home that doesn't just look beautiful, but feels right from the moment you enter.

Downstairs, a fully transformed second living area offers flexibility - ideal as a media room, home office, or teen retreat. A beautifully appointed second bathroom consistent in design and quality adds everyday practicality.

You will love the go zone for school bags and jump in the car ready!

YOUR HOME: SKY LEVEL

- Architecturally inspired renovation of a classic 1970's home.
- Intimate, yet connected first zone welcomes you.
- 3 spacious bedrooms with soft carpets, ceiling fans and built-ins all bathed in divine natural light.
- Light-filled open plan living with gentle tones to your flooring and textured surfaces. Love the climate control.
- Stunning benchtops, colour-rich kitchen with textural finishes. Induction cook top and dishwasher with butler's pantry will not disappoint.
- First fully renovated, high-style bathroom with contemporary tiling and tapware.
- Natural light bathes the internal stairs connecting two versatile living levels.
