Backing onto the newly revitalized Mary Carroll Park, which recently underwent a \$3 million transformation with new bridges, walkways, and an all-abilities playground, this property enjoys direct access to stunning natural surroundings.

Zoned R30/40, with a potential zoning change to R40/60 for higher density (subject to council approval), this block offers flexibility for future development. In the meantime, the currently leased duplex pair provides a rental income of \$800 per week, making this a lucrative opportunity.

The location is highly convenient, with Gosnells Primary School just down the street, Gosnells train station a short 1.3km walk away, and the town centre nearby.

This is a rare chance to secure a prime development site. Dont miss out - enquire today.
