Kestrel Lodge is a gorgeously charming and very spacious home in the picturesque Port Willunga. Nestled between the famous Star of Greece Shipwreck and Willunga Creek, and surrounded by tall Pines, Kestrel Lodge exudes serenity. Soak up the tranquillity on the upstairs balcony, with a good book or glass of wine in hand. Sittin' up high, surrounded by tall pines and rolling views, the sound of birdsong, has never sounded quite like this. Enjoy stunning views from every window upstairs in the good sized, cosy bedrooms. The 2 larger rooms are even connected by a doorway, which is great for parents who'd like to keep a close eye on the little one. Make your way between this homes' two levels with the charming spiral staircase.

The downstairs level invites you to spend quality family time. With space for everyone around the dining table, or on the couch and even multiple chefs' in the large kitchen. You'd be hard pressed to find an inch of this home that doesn't pay homage to a simpler era, but this home has all the creature comforts to make your stay relaxing and enjoyable. Step out into the lush garden, through the living area sliding doors. Down the stairs and through the Arch, you'll be greeted by the endearing open lawns. The perfect place for the kids to kick a footy or play.
