LARGE FURNISHED APARTMENT RIGHT IN TOWN - FANTASTIC INCOME R

If you've been looking for a well-appointed holiday apartment that is tastefully furnished, right in the centre of town, you will definitely want to take a closer look at this one.

Tucked away privately at the quieter end of the well-regarded Regal Port Douglas Resort, this spacious two-bedroom, two-bathroom apartment is located within easy walking distance of town, the beach and marina.

The property's convenient dual key configuration comprises a large studio apartment and an even larger one-bedroom apartment. Featuring separate/private entries, the apartments provide for more flexible owner usage and the potential for various revenue generating options as they can be let individually or collectively.

With its king bed, split system air conditioner, ceiling fan, coffee/tea making facilities, built in storage and large light-filled bathroom complete with vanity, separate toilet and luxurious spa bath, the hotel-style studio apartment provides for a very comfortable stay. Add the shady private balcony complete with daybed and you might never want to leave!

The adjoining one-bedroom apartment is more suited to self-contained stays with its spacious open plan living and dining area, kitchenette, concealed laundry and expansive covered balcony featuring a full-sized spa/jacuzzi, daybed and lounging chairs.

Screened by sliding louvre doors, the oversized bedroom comes complete with air conditioning, ceiling fan, built-in wardrobe and a large shower ensuite that provides the perfect respite after a day of touring, swimming, fishing, shopping, eating, or whatever else may take your fancy.

And if you still have some reserve in the tank, the ideal location ensures you are within strolling distance of all the attractions and amenities Port Douglas has to offer.

So to recap, you've got:

- Two bedrooms; two bathrooms; two balconies
- Flexible income earning potential
- Air conditioning and ceiling fans
