High Ridge-Top Position Fantastic Bushland Outlook

Fantastic opportunity to add value & take advantage of future capital growth. The tried & true adage of "buying for position" certainly applies here. Well worthy of a full internal renovation & to take advantage of the high & breezy position, overlooking the Lota inlet towards the north east & Mount Cotton bushland outlook towards the south east. Your views are clear, unobstructed & permanent.

The home itself is a solid 3 bedroom highset home designed as a two storey layout, currently with kitchen & living areas downstairs + a second living area & bedrooms upstairs. Comfortable to live in now & with some imagination you can redesign & renovate the internal layout to suit the changing needs of your family. There is double lock up garage with internal access & the dwelling is set on a broad 556m2 block. For summer fun, an in-ground pool + spa for entertaining with family & friends.

The property is well located within easy walking distance to a local primary school, kid's playground & Melaleuca Environmental Park.
