Are you looking for a modern, low maintenance home in a great lifestyle location? Then consider 2A Meelee Street. Situated adjacent to the Narrabri Lake you can enjoy the BBQ facilities, outdoor gym equipment and bike path just a minutes walk from your front door.

This house features an open kitchen and living space that has a fresh feel with modern lighting and stainless steel appliances. The bedroom downstairs is equipped as a study with a desk, storage and power points in the right places. The laundry is tucked away on the lower level with a toilet for convenience.

Upstairs, the property has three bedrooms with carpet flooring and built in wardrobes. The main bathroom is quite spacious including a frameless glass shower screen, tub, easterly aspect and a toilet separate to the bathroom.

The property is cooled by a Daikin brand, ducted, reverse cycle air conditioning system throughout most of the property. The living area is cooled separately by a Mitsubishi split system unit.

The double lock up garage features remote entry, internal access and workbench. The well-fenced lawns and gardens are watered by pop-up sprinklers.
