Open for Inspection

By Appointment.

2b Henry St is one of two properties on this block and sits at the rear. The floor plan was designed with the family in mind, but would equally suit a share home.

There are three large sunny bedrooms; one has built in robes. The living space is 6 meters in length, so room enough to incorporate your dining space as well. This area includes a heat pump.

The kitchen has been recently updated and is an easy to live with black and white palette. The kitchen also features a convenient breakfast bar - a great place to catch up over coffee. There is a family bathroom with bath over shower plus a great "hidden" laundry in a cupboard just off the kitchen. Outside is a with plenty of off street parking and a single carport. All this is available to let now.

We are also looking for tenants for 2 Henry St. at the front of the block, so this could be an opportunity for your extended family to live together, but independently - if that's you check out our listing of 2 Henry St Sorell.

Available 6/3/2017. 6 month lease. No Pets . For further information, or to enquire about a viewing time, please contact our Glenorchy Office.

PLEASE NOTE: No applications will be accepted until the property has been inspected.
