Immaculate Perfection!

1 Perfect, very secure and a top quality finish. This 3 bedroom, 2 bathroom residence with double automatic garage will meet all the requirements. Only 5 years old and having only one previous owner who has kept the property in immaculate condition, and has added many features to the original property, such as: ducted reverse cycle air conditioning, plus a wall air conditioning unit downstairs, automatic security gates to the extra parking at the side perfect for the boat or caravan, alarm system and automatic roller shutters on all windows.

All rooms come with extensive robe space and the master has its own ensuite with double vanity. The views from the master and the second bedroom are breathtaking with the city and hills area in full panoramic view.

Some other extra features of the property are the modern kitchen with near new stainless steel appliances plus dishwasher, open plan downstairs living/dining areas, three toilets, covered courtyard and a generous secure store room with shelving.
